

One From The Heart
Nazareth

Intro: (F G C) 4 x
(F)

C
I ve seen that girl before, I ve seen the boys come and go
G
And still she s on her own

C
I ve seen those tears before, I ve seen her heart break
G
She knows what it means to be alone

Am
There must be another way to spend her life
G
While she is waiting

C
She knows the dangers there, these love affairs
G
Run hot, run cold and always take their toll
C
It s another lonely night inside those empty rooms
G
She knows will never be a home

Am
There must be another way to spend her life
G
While she is waiting

Am	C	G
One from the heart, she s on her knees		
Am	C	G
One from the heart, that s all she needs		
Am	C	G
One from the heart, she can believe		

C
I ve seen that girl before, I ve seen boys that come and go
G
And still she s on her own
C
I hope somewhere, somehow, someday
G
she ll find that special one before her heart turns cold.
