

Place In Your Heart
Nazareth

Start with a **C** with the ***G** note on the high **E** string
then the Chorus which will start with a **G** in some cases:

F **G** **C**

Is there a place in your heart left for me? Is there
someplace where the parking sign says free?

F **C**

Maybe there s just one little spot
Maybe some corner that you forgot

F **G** **C**

Is there a place in your heart left for me?

G **F** **C**

Well I know you have so many you could choose from

G **F** **C**

There s always flowers lying by your door

F **C**

I Bet you your phone it never stops
I Bet you re the queen at the local hop

F **D** **G**

I bet you get valentines but never keep the score!

back to the chorus

Guitar solo chords are: **G F C**

Now I know I don t think have to explain the order you either
know the song Or you don t.

*Optional chord x32013 and possibly

F7 131211

You could always wait for the bullet but it would still
be a Moment Passing By
