Actually, reality stinks

How about we just pretend,

That your cellphone didn t even ring

And that I wasn t on the other side of the door

Listening to everything.

Tell me another lie

I don t wanna know what I know to be true,

What I need you to do, tell me another lie,

I don t wanna know what I know to be true,

What I need you to do, tell me another lie,

I don t wanna know what I know to be true,

What I need you to do, tell me another lie,

I don t wanna know what I know to be true,

What I need you to do, tell me another lie...

Lie to me

Lie to me

Lie to me

Lie to me

Lie to me

Lie to me

Lie to me

Lie

Please make me believe

That there is nobody for you and me

When I ask who where you talking to

Tell me it was Candy

Tell me the last night you didn t leave

After you thought I was asleep
Krept back in that 6 45
Tell me it was just a dream
Baby I need, desperately, desperately
To believe you
Cause I wont be held resonpsible
For what, what I might do
Baby I need, desperately, desperately
To believe you
Cause I wont be held responsible
For what, what I might to do me another lie
I don t wanna know what I know to be true,
What I need you to do, tell me another lie,
I don t wanna know what I know to be true,
What I need you to do, tell me another lie,
I don t wanna know what I know to be true,
What I need you to do, tell me another lie,
I don t wanna know what I know to be true,
What I need you to do, tell me another lie...
Tell me another lie
Tell me another lie
Tell me another lie
Tell me another lie
I don t wanna know what I know to be true,
What I need you to do, tell me another lie,
I don t wanna know what I know to be true,
What I need you to do, tell me another lie,
I don t wanna know what I know to be true,
What I need you to do, tell me another lie
