\*this is my first attempt at submitting chords at UG. hope its ok for u guys, it sounds

to me. it may seem low, so u can capo it on the 1st or 2nd fret. :) peace!

Versel:

Since the day that we met girl  
I aint never had anyone make me feel this way  
And my heart is sure it wants to be with you  
Wanna give you the whole world, oh  
If you make the promise to me, You re gonna stay  
Without you guiding me, I m lost and so confused

Refrain:

What will it take to show you I ll be by your side  
Girl I got you and I want to give you what you never had  
Girl everyday I hope to make you part of my life  
Cause you know me and I know you  
girl your love is where it s at  
ohhh...

Chorus:

I m gonna be the love that s gonna last  
And be the one that got your back  
Ain t nothing ever that bad that we won t be together  
And though we both made our mistakes  
And some we never wish we made

But we ll be okay if we just stay together

Verse2:
