Intro:
C G Am F
C G Am F

Verse:
C **G**
All by herself she walks around
Am
The sun is up she s looking down
F
Her lonely tears they hit the ground

They start the fire
C
He took her heart
G
He took her smile

Am **F**
And simply threw it the pile of hearts that he d broken before he ever tried her
C **G**
I sit back and I watch it all
Am
I witness every teardrop fall

F
It s almost like she s getting smaller every time she cries
C **G**
I just can t stand to see her tears
Am
And so before she disappears
F
I think I ll call her over here

And...

Chorus:
C **G** **Am**
Girl you re beautiful
F
Don t let him take that from you

C **G** **Am**

Girl you ve got to know

F

Come here and let me show you

C **G**

Let me ease your mind

Am

Put you back in the sky

F

C

Baby you re a star don t let him dull your shine

G

Am

He isn t worth your tears so baby dry your eyes

F

C

Just know that you re a star don t let him dull your shine

G

Am

F

Don t let him end all your shine

Verse:

C **G**

She s so special

Am

Worth so much more

F

Than what she knows

Cause he never told her

C **G**

And so she cries

Am

He said goodbye

F

But baby I will be the one

C

To hold you down, down

G

Am

And you will never hurt again

F

C

I just wanna see you smile right now, now

G

Am

Stand up and keep on shining

F

Baby if you need...
