intro: whistle **A D E A**

A
Oh itâ€™s alright
 Everybody is gotta get some lose some time
D   **A**
 If you are up tight let it unwind
                    E
 Itâ€™s alright x2
 A
oh Itâ€™s ok

Save the trouble for another day
         D   **A**
Put a big old smile back on your face
 E
Looks to me like itâ€™s gonna be
 D A E A
A-ok x3

A
let me raise a toast
                          D   **A**
for all of those who are feeling just like me
       D
keep your head out the covers
              A
there is a hell lot of others
           E   **A**
who are tired to lose and sleep
 D   **A**
say no to all those worries that hold you down
             D   **A**   **E**   **A**
Cause itâ€™s good for the soul to get up and go and take all in to town

A
Oh itâ€™s alright
                              D
Everybody is gotta get some lose some time
             A   **D**

A
so go on take up
          D                 E
like a rocket through the sky
 D
if it feels good
 A
thatâ€™s good
 E
you donâ€™t need another reason why
 D                      A
you can lay there like a book on the shelve
 D
wise man say

chorus
 A
Oh itâ€™s alright
                            D
Everybody is gotta get some lose some time
