

Wish You Were Here
Neck Deep

[Intro] **A E Dsus2**

A **E**
Take it slow, tell me all how you ve grown
Dsus2

Just for me, could we all reminisce?

A **E**
Better yet, here s a pen, make a list
Dsus2

Fill it full of all the things I ve missed

E
Cause I could barely drive past the school

F#m **C#m**
Without stopping to think of you
Dsus2

And how we used to act the fool

E **F#m** **C#m**
But worst of all I wish I d called at least a thousand times or more
Dsus2

Just to hear, what I ve been missing

A **E**
If a picture is all that I have
Dsus2

I can picture the times that we won t get back
F#m

If I picture it now it don t seem so bad

E **A**
Either way, I still wish you were here

E
Don t say everything s meant to be
Dsus2

Cause you know it s not what I believe
F#m

Can t help but think that it should ve been me
E

Either way I still wish you were here

(**A E Dsus2**)

Dsus2 **A** **E**
Thinking back on the days when we all used to say
Dsus2

I know anywhere s better than here

A **E**
In the back of the class, where we grew up too fast

Dsus2

Living life like there s nothing to fear

E **F#m** **C#m**

But the ice on the road, driving home all alone

Dsus2

Singing along to a song from three summers ago

E **F#m**

The one that made you remember it

C#m **Dsus2**

Now I ll always remember it

E **A**

As the song that your life ended with

A **E**

If a picture is all that I have

Dsus2

I can picture the times that we won t get back

F#m

If I picture it now it don t seem so bad

E **A**

Either way, I still wish you were here

E

Don t say everything s meant to be

Dsus2

Cause you know it s not what I believe

F#m

Can t help but think that it should ve been me

E

Either way I still wish you were here

(**F#m**)

F#m **Dsus2** **A**

And they say you re in a better place

F#m

But a better place is right here with me

Dsus2 **E**

Yeah, they say you re in a better place

A

Too bad it s not what I believe

E

Cause a picture is all that I have

Dsus2

To remind me that you re never coming back

F#m

If I picture it now it just makes me sad

E

And right now I just wish you were here

(**A**)

E

Don't say everything's meant to be

Dsus2

Cause you know it's not what I believe

F#m

Can't help but think that it should've been me

E

In the end I still wish you were here

F#m **Dsus2**

A

Yeah, they say you're in a better place

E

Either way I still wish you were here

F#m **Dsus2**

A

Cause they say you're in a better place

E

In the end, I just wish you were here

(**A**)
