[Verse 1]

A F G  
The wolves don t lose sleep over the cries of the sheep  
E E E G  
They just laugh in their pack as they watch while we bleed  
A F  
Self-destruction is imminent  
G  
We all show our teeth  
C C G  
Watch the world fall apart, caught on CCTV  
A F  
Don t be so blind  
C G  
The writing s on the wall  
A  
Has been for some time  
F G  
I ve seen the signs, and the worst is yet to come

[Chorus]

A B C  
What ever happened to another point of view?  
F G  
When things were looking up and we were headed for change  
A B C  
Let this sink in  
F  
Wishful thinking  
A B C  
The cracks begin to show and progress starts to slow  
F  
We lost sight of ourselves  
F G  
Our egos started to grow

**A B C**  
Let this sink in  
**F**  
Wishful thinking

[Verse 2]

**A F G C**  
If you just opened the curtains you d see the light  
**A F G C**  
The fucking lies that they sell and all the shit that we buy  
**A F G C**  
There s nothing left we can do but stand and fight  
**A F G C**  
The system they put in place to have your soul in a vice

[Bridge]

**A A A C**  
How did it come to this?  
**G F**  
It feels like we re all stuck on a burning bridge;  
**A A A C**  
How did it come to this?  
**G F**  
The things that mattered most are dead in a ditch;  
**A A A C**  
Where did it all go wrong?  
**G F**  
Cuz things have been this way for far too long;  
**A A A C**  
Where did it all go wrong?  
**G F**  
Where did it all go ...

[Chorus]

**A B C**  
What ever happened to another point of view?
