NEEDTOBREATHE

[Intro] C F C F

C C/B  
You are the moonlight in the sky that I m pursuing  
Am Am/B G/B  
You are the reason for what I m doing  
F Am G C  
You are the crystalline that keeps me from my ruin  
C  
You are the movement  
C/B Am  
You re the true north pointing back home  
Am/B  
You are the constant, my constellation  
G/B  
You re the steady hands of a ticking clock  
F Am  
That I ll come to rely on  
F  
Oh, it s so clear  
Come a little closer

C  
All of my love is right here  
F  
I just want to hear you whispering you still trust  
C  
You re the only thing that I have ever been sure of  
  
I just wanna be where you are  
Am G F  
I promise I won t let you down  
C  
Honey, it s so clear now
