

**Disaster Road**  
**NEEDTOBREATHE**

Disaster Road  
Capo 2

**G**

Call out to me all you can

**C**

Ill never look back

**G**

**C**

I am a man whose soul got caught in the tracks

**Am**

**Em**

**D**

With darkness approaching its not my heart that wants to go

**C**

**G**

So excuse me darlin while my heart explodes

**D**

**Em**

**D**

Im in a cage Ive chosen, cause it feels like home

**C**

**G**

I should have seen this coming a million miles ago

**D**

**Em**

**D**

**C**

**G**

Ive been blindly running down disaster road

**G**

**C**

Sing to me your sweetest song, it could be my last

**G**

**C**

My fate is myself alone and Im headed there fast

**Am**

**Em**

**D**

With darkness approaching its not my heart that wants to go

**C**

**G**

So excuse me darlin while my heart explodes

**D**

**Em**

**D**

Now the prize is empty, but my eyes have grown

**C**

**G**

So excuse me darlin while my heart explodes

**D**

**Em**

**D**

Ive spent my whole life paving this disaster road

**Am Em D x2**

**C**

**G**

So excuse me darlin while my heart explodes

**D**

**Em**

**D**

Im the cage Ive chosen, cause it feels like home.

**C**

**G**

I should have seen this coming a million miles ago

**D**

**Em**

**D**

**C**

**G**

Ive been blindly running down disaster road
