Disaster Road NEEDTOBREATHE

Disaster Road Capo 2

G

Call out to me all you can C Ill never look back G I am a man whose soul got caught in the tracks

Δm Em D With darkness approaching its not my heart that wants to go C G So excuse me darlin while my heart explodes \mathbf{Em} D D Im in a cage Ive chosen, cause it feels like home С G I should have seen this coming a million miles ago С G D Em D Ive been blindly running down disaster road

С

G C Sing to me your sweetest song, it could be my last C G My fate is myself alone and Im headed there fast Em D Am With darkness approaching its not my heart that wants to go C G So excuse me darlin while my heart explodes D Em Now the prize is empty, but my eyes have grown G С So excuse me darlin while my heart explodes Em D Ive spent my whole life paving this disaster road
