

Hurricane

NEEDTOBREATHE

Title: Hurricane

Artist: Needtobreathe

This is a great song off of Needtobreathe's new album. This is the rhythm guitar chords with the lyrics. I think the band plays most of it power chords. Enjoy the music.

Standard Tuning

Intro **Gm** **Bb** (x2)

Verse

Gm

In the fallout now

Bb

It's hard to feel like we can turn around

Gm

With the damage done

Bb

It's hard to see how far we've come

We could not be proud

Of where our feet have walked along the ground

In the silence now

We play it back and forwards again

PreChorus

Gm

Bb

There's a sound in our guiltiness

Eb

F

It's a warning bell that rings

Gm

Bb

It's a call for our loneliness

Eb

F

And we can't see

Chorus

Gm

Bb

Eb

Bb

We roll the dice we play like fools

Gm

Bb

Eb

Bb

We plead with time to change the rules

Gm

Bb

Eb

It's like a hurricane is coming our way

Gm

Bb

Eb

F

We've all been warned but we still chose to stay

Gm Bb Eb Bb
 Ooo Ooo Ooo Ooo Ooo Ooo
Gm Bb Eb Bb
 I can t believe it now the time has come
Gm Bb Eb Bb
 Ooo Ooo Ooo Ooo Ooo Ooo
Gm Bb Eb Bb
 I can t believe it now the time has come

Verse
 Play the victim here
 You know it s nothing but your pride and fear
 But the more you hurt
 The more you love the one you were

PreChorus

Chorus

Instrumental (Power Chords)
F G F G Eb Bb Eb Bb

Bridge
Gm
 In the light of the mourning
Bb
 Can we change what we felt and heard
Gm
 Can we turn it into the glory
Bb
 Break the paths of our fathers before us
Gm
 Though we stand on the outside
Bb
 We will find what we once believed
Gm
 And will crawl our way to the clear skies
Bb
 Standing up we are
Bb
 Standing up we are
G Bb Eb Bb (x2)

Chorus
