

Hurricane

NEEDTOBREATHE

Title: Hurricane

Artist: Needtobreathe

This is a great song off of Needtobreathe's new album. This is the rhythm guitar chords with the lyrics. I think the band plays most of it power chords. Enjoy the music.

Standard Tuning

Intro **Bm** **D** (x2)

Verse

Bm

In the fallout now

D

It's hard to feel like we can turn around

Bm

With the damage done

D

It's hard to see how far we've come

We could not be proud

Of where our feet have walked along the ground

In the silence now

We play it back and forwards again

PreChorus

Bm

D

There's a sound in our guiltiness

G

A

It's a warning bell that rings

Bm

D

It's a call for our loneliness

G

A

And we can't see

Chorus

Bm

D

G

D

We roll the dice we play like fools

Bm

D

G

D

We plead with time to change the rules

Bm

D

G

It's like a hurricane is coming our way

Bm

D

G

A

We've all been warned but we still chose to stay

Bm D G D
 Ooo Ooo Ooo Ooo Ooo Ooo
Bm D G D
 I can t believe it now the time has come
Bm D G D
 Ooo Ooo Ooo Ooo Ooo Ooo
Bm D G D
 I can t believe it now the time has come

Verse
 Play the victim here
 You know it s nothing but your pride and fear
 But the more you hurt
 The more you love the one you were

PreChorus

Chorus

Instrumental (Power Chords)
A B A B G D G D

Bridge
Bm
 In the light of the mourning
D
 Can we change what we felt and heard
Bm
 Can we turn it into the glory
D
 Break the paths of our fathers before us
Bm
 Though we stand on the outside
D
 We will find what we once believed
Bm
 And will crawl our way to the clear skies
D
 Standing up we are
D
 Standing up we are
B D G D (x2)

Chorus
