

Keep Your Eyes Open

NEEDTOBREATHE

E **B**
If you could soldier on
G#m **E**
Headstrong into the storm
E **B** **G#m** **F#**
I ll be here waiting on the other side
E **B**
Don t look back. The road is long
G#m **E**
The first days of the war are gone
E **B** **G#m** **F#**
Take back your former throne and turn the tide

B
Cause if you never leave home, never let go
B
You ll never make it to the great unknown till you
G#m **E** **F#**
Keep your eyes open, my love
B
So tell me you re strong, tell me you see
B
I need to hear it, will you promise me to
G#m **E** **F#**
Keep your eyes open, my love

E **B**
Just past the circumstance
G#m **E**
The first light, a second chance
E **B** **G#m** **F#**
No child could ever dance the way you do
E **B**
Oh, tear down the prison walls
G#m **E**
Don t start the curtain call
E **B** **G#m** **F#**
Your chains will never fall until you do

B
Cause if you never leave home, never let go
B
You ll never make it to the great unknown till you
G#m **F#** **E**
Keep your eyes open, my love
B
So show me your fire, show me your heart

F#

You know I ll never let you fall apart if you

G#m F# E

Keep your eyes open, my love

I know the fight is on the way

When the sides have been chosen
