

Keep Your Eyes Open

NEEDTOBREATHE

F **C**
If you could soldier on
Am **F**
Headstrong into the storm
F **C** **Am** **G**
I ll be here waiting on the other side
 F **C**
Don t look back. The road is long
Am **F**
The first days of the war are gone
F **C** **Am** **G**
Take back your former throne and turn the tide

C
Cause if you never leave home, never let go
C
You ll never make it to the great unknown till you
Am **F** **G**
Keep your eyes open, my love
 C
So tell me you re strong, tell me you see
C
I need to hear it, will you promise me to
Am **F** **G**
Keep your eyes open, my love

F **C**
Just past the circumstance
Am **F**
The first light, a second chance
F **C** **Am** **G**
No child could ever dance the way you do
 F **C**
Oh, tear down the prison walls
Am **F**
Don t start the curtain call
F **C** **Am** **G**
Your chains will never fall until you do

C
Cause if you never leave home, never let go
C
You ll never make it to the great unknown till you
Am **G** **F**
Keep your eyes open, my love
 C
So show me your fire, show me your heart

G

You know I ll never let you fall apart if you

Am G F

Keep your eyes open, my love

C C

Open up, open up

Am

Open up your eyes

G F

The weight is unbroken

C C

Open up, open up

Am G

Open up your eyes

F

Keep your eyes open

C

Don t let the night become the day

G

Don t take the darkness to the grave

Am G

I know pain is just a place

F

The will has been broken

C

Don t let the fear become the hate

G

Don t take the sadness to the grave

Am G

I know the fight is on the way

F

When the sides have been chosen

C

Cause if you never leave home, never let go

C

You ll never make it to the great unknown

Am

G

Open up your eyes

F

Keep your eyes open

C

So tell me you re strong, tell me you see

C

I need to hear it, will you promise me to

Am G F

Keep your eyes open, my love

C

So show me your fire, show me your heart

C

You know I ll never let you fall apart if you

Am **G** **F**
Keep your eyes open, my love

Am
Keep your eyes

F
Keep your eyes open
