

These Hard Times
NEEDTOBREATHE

This is how I hear NEEDTOBREATHE s These Hard Times
Verse 1:

E
Give me something brighter
Give me something I can see, Give me something vicious
Give me something I can be, Give me all the love and peace
To end these wars, Give me something sacred
Something worth fighting for

Pre-Chorus:

It s clear enough to me, The ugliness I see
Is evidence of who I need

Chorus:

Give me an answer, Give me a way out
Give me the faith, To believe, in these hard times
Give me an answer, Give me a way out
Give me the faith, To believe, in these hard times

Verse 2:

Give me motivation
Give me all my heart s desires, Show me something gorgeous
Show me till my eyes get tired, Give me all the drums and
Show me how to play them loud, Show me how to move
When I can t feel that you re around

Pre-Chorus:

It s clear enough to me, The ugliness I see
Is evidence of who I need
