We Could Run Away
NEEDTOBREATHE

NeedtoBreathe ~ We Could Run Away
Intro/Verse â€" picking in between the two notes
```
      C#    Ebm   Bbm   F#     C#    Ebm   C#   C#
e|---8----10----8----8-----8----10---8---8----|
B|---8----8-----10---x-----8----8----8---8----|
G|------------------10---------------------|
D|-----------------------------------------|
```
Verse
C#   Ebm   Bbm   F#
Everything stops as we look towards the clock
 C#   Ebm   C#
It feels like weâ€™re moving backwards
C#   Ebm   Bbm   F#
Itâ€™s easy to find potential in before
C#   Ebm   C#
But we look the same in the after
C#   F#
Could we wait long enough to bide my time
        Bbm   F#
Could we stay and say enough to change my mind

Chorus/Bridge (key change)
C# (Eb)   F (G)
We could run away Maybe we could change
                  Bbm (Cm)   F# (G#)
Get back on our feet and then Maybe make it home again
      C# (Eb)   F (G)   F# (G#)
We could run away Be on our own again
C# (Eb)   F (G)   Bbm (Cm)
Maybe in the twilight We can break out Buy ourselves a Cadillac
      F# (G#)   C# (Eb)   F (G)   F# (G#)
Never turn around We could run away Be on our own again

Verse
C#   Ebm   Bbm   F#
We could stay here where things became unclear
C#   Ebm   C#
Fighting whatâ€™s left of the right way
C#   Ebm   Bbm   F#
But everyone hates the chances that we waste
C#   Ebm   C#
Under the light of the new day
C#   F#
Could we wait long enough to bide my time
Bbm   F#
Could we stay and say enough to change my mind

Bridge same as chorus then you play a G going into the last chorus
last chorus changes keys to D

on the last chorus/ outro lead guitar does alot of licks
with this scale   and ends with something like this
```
e|--12-10--------------|  |--10-10p9-9--9--9--9--|
B|-------12-10---------|  |-----------10-10-10---|
G|-------------11-9----|  |---------------------|
D|-----------------12-|  |---------------------|
```
