

Still Alive
Negative

Negative - Still Alive

Standard tuning: Down 1/2 steps

---1st Verse---

C

These are those days, when I can get no sleep

Em

I m so tired I d like to fall into sleep

Am

G

I fall in my bed, but still I m awake

C

These questions in my mind are so much bigger than life

Em

When my life is short I have to leave them behind

Am

G

I have to try to forget, that I am still in my bed

---Pre-Chorus---

F

G

Am

In my deepest fears I m losing you

F

Even if somebody tried to stop my heart

G

I m still alive I will never give up

---CHORUS---

C

Em

Just turn off the lights, don t wanna see me die

Am

F

I look like I m dead, but when you look at me

G

I am still alive

C

Em

Just open your eyes, don t wanna see me cry

Am

Am/G

I m right here where you want me to be

G

Fighting with myself

---2nd Verse---

C

All I need to feel is your breath on my skin

Em

This endless longing between you and me

Am

G

We can't give up now, we're gonna make it somehow

---Pre-Chorus---

F

G

Am

In my sweetest dreams I'm with you

F

Even if somebody tried to stop my heart

G

I'm still alive I will never give up

---CHORUS---

C

Em

Just turn off the lights, don't wanna see me die

Am

F

I look like I'm dead, but when you look at me

G

I am still alive

C

Em

Just open your eyes, don't wanna see me cry

Am

Am/G

I'm right here where you want me to be

G

Fighting with myself

C

Em

Just turn off the lights, don't wanna see me die

Am

F

I look like I'm dead, but when you look at me

G

I am still alive

C

Em

Won't you open your eyes, don't wanna see me cry

Am

F

G

I'm right here where you want me to be, fighting with myself

Am

F

G

I'm right here where you want me to be, fighting with myself

Am

F

G

C

I'm right here where you want me to be, fighting with myself, with myself.

Em

F

G

C

Ooh, I look like I'm dead, but when you look at me, I'm still alive
