

Coldwater Morning

Neil Diamond

Am **E7**
One, knowing I m one, hearing of two
C F C F Dm
And like a child believing dreams
G7 C
Always a dream to take you home
Am **E7**
Day, after the day, there comes the night
C F C F Dm
There comes the knowing when you laugh
G7
If you should laugh,
C C7
The night alone will hear
F G
And the night don t care
C G F G
Coldwater Morning
C G F G
Take off your nighttime shoes
C G F
Coldwater Morning
C
I ve been waiting so long for you

(same as first verse)
One, knowing I m one, hearing of two
Hearing of things that I once had
That you once had
And when the night would come
We d sleep like one
Coldwater Morning
Take off your nighttime shoes
Coldwater Morning
I ve been waiting so long for you
I ve been waiting so long for you...
