

Hell Yeah

Neil Diamond

 D A D A
If you re thinking that my life is a hoot and a holler
 E E
from the start of the day to the dark of the night
 E A D

A
and that it s ringing like a bell that you only wanna
follow

 A E A
gotta trust me when I say I m just trying to get it
right

 A D
Still I think about myself As a lucky old dreamer

 D E
And if you re asking me to tell Is it worth what I
paid?

E7 A
You re going to hear me say Hell Yeah It Is

D A Bm E
And I say it loud I loved it all and I m not too proud
 E A D A
I freed my soul Just let it fly

A E
Hell Yeah this crazy life around me It confuses and
confounds me

E
But it s all the life I ve got Until I die

E A
Hell yeah It Is

 D A D A
If you re asking for my time Isn t much left to give
you

 E E
Been around a good long while so I gotta say it fast

 E A D A
Time is all we ll ever need but it s gotta have a
meaning

 A E
A
You be careful how it s spent cause it isn t going to
last

 A D
I hear you wondering out loud are you ever going to
make it

 D E

Will you ever work it out Will you ever take a chance

E7 **A**
and Just believe you can Hell Yeah You Will

D **A** **Bm** **E**
You re going to be okay You might get lost But then
you ll find a way

E **A** **D** **A**
Don t go alone Can t be afraid

A **E**
Hell Yeah this life is here And it s made for living
E **E** **E**

and loves a gift that s made for giving you Give it
all away and have it still

E **A**
And Hell yeah you will

D **A** **D** **A**
I ve been livin in a bowl with a lot of people
staring

E **E**
with my feet on shaky ground and my head up in the sky
E **A** **D**

A
But it s where I want to be It s a life that s made
for caring

A **E** **A**
Gotta a song to pass the day And a girl to share the
night

A **D**
So if they ask you when I m gone was it everything he
wanted

D **E**
And when he had to travel on did he know he d be
missed?

E7 **A**
You can tell them this: Hell yeah he did

D **A** **Bm** **E**
He saw it all He walked the line Never had to crawl
E **A** **D** **A**
He cried a bit But not for long

A **E**
Hell Yeah He found the life that he was after

E **E** **E**
Filled it up with love and laughter Finally gotta it
right and made it fit

E **A**
Hell Yeah He Did
