

Juliet

Neil Diamond

Picking is tough to figure out, listen to CD for timing and picking pattern.

I didn't tab the interlude.

Intro is finger-picked on a nylon-string acoustic.

Gsus to G is just a quick change.. Ignore it if it doesn't make sense, the harmony will still work.

Intro: **Dm Gsus G**
C F
Juliet I've been waitin',
C F
For so long for you to come back
Dm Gsus G
How I, I've been needin' you, Juliet.

C F
Wrapped up all in day dreams,
C F
But daydreams won't fill the night time.
Dm Gsus G
And I'm so glad I found Juliet.
C F
Nananananana.....
Dm Gsus
Nananananana.....
C F
Nananananana.....
Dm C.....
Na nah nah nah-na-ah

....**C F**
Turn your eyes on me, girl
C F
Wanderin' round inside a grown man
Dm Gsus G
No more than a small boy, sweet Juliet

C F
Bout to give up tryin'
C
And there you stood
F
Without your shoes on
