

Shilo  
Neil Diamond

It s from my big sister s original Bang Recordssingle.My sister bought a ton of albums and singles in the late late sixties and early seventies, so this stuff is in my blood.I also want to mention that I think the totally orchestrated slow ballads make my skin crawl, but he could/can kick and rock.\*\*\*\*\*to come up here to Minneapolis and do an unplugged or semi-plugged thing at 1st Ave. (If you need a second guitarist, send me mail).
