[Intro]

D A D

D G A D G A
Hey, Sunday sun, let s go walkin and we ll talk about some things,
A D G A
kick my shoes off, and we ll dream about some dreams,
A G D
got to get away when the world gets on me.

D G A D G A
Kids in the park, don t take long before I m laughing along with them,
A D G A
almost makes me think those times can come again,
A G D A
gets me feelin good and yet sad at the same time.

[CHORUS]

A D E A
Sunday sun, when you re round, get to feelin like I wanna smile,
A D E A
weekday strings, tie me down, but this one day, baby, I can fly,
G A G A G D
I can fly, I can fly, I can fly.

D G A D G A
Time on my mind, gotta make the most of it, just me and a Sunday sun,
A D G A
liable to forget that Monday ever comes,
A G D A
gonna sit around watchin bees chasin honey.

[CHORUS]

D G A D G A

Hey, Sunday sun, let s go walkin' and we ll talk about some things,

A D G A

kick my shoes off, and we ll dream about some dreams.

A D G A

Come on, Sunday sun, we got some plans to make,

A

we go walking...
