Hey, Sunday sun, let s go walkin and we ll talk about some things,
G C F G
kick my shoes off, and we ll dream about some dreams,
G F C
got to get away when the world gets on me.

C F G C F G
Kids in the park, don t take long before I m laughing along with them,
G C F G
almost makes me think those times can come again,
G F C G
gets me feelin good and yet sad at the same time.

[CHORUS]

G C D G
Sunday sun, when you re round, get to feelin like I wanna smile,
G C D G
weekday strings, tie me down, but this one day, baby, I can fly,
F G F G F C
I can fly, I can fly, I can fly.

C F G C F G
Time on my mind, gotta make the most of it, just me and a Sunday sun,
G C F G
liable to forget that Monday ever comes,
G F C G
gonna sit around watchin bees chasin honey.

[CHORUS]
