Verse 1:

A

Whose hands are these
That reach into a secret place

E

Whose hands are these
That brush across my sleeping face

A

G

Like quiet waves, on silent shores

E

Whose hands are these

A

These hands are yours

E A E A

Verse 2

A

Whose name is called
To find my soul in need of care

E

Whose name is called
To answer when that need is there

A

G

A name that sings, who`s music sours

E

Whose name is called

A

That name is yours

Chorus:

D

When I need peace
A quiet that belongs to me

A

To be released
From on a loud and angry scene

E

I think of you
Thinking of you quiets me

A D E

As only you can do

A

For me

Verse 3:

A

Whose eyes are these
That see into this place I live

E

Whose eyes are these
Show me what I've yet to give

A G

That see beyond unopened doors

E

Whose eyes are these

A

These eyes are yours

Chorus 2:

D

Where do I go
When not a door is open wide

A

What can I know
When questioned asked are un-replied

E

I know of one
One is all I need to confide

A D E

To fill that place inside

A

Of me

Verse 4:

A

Whose hands are these
That touch me when my soul is bare

E

Whose hands are these
That offer all they've got to share

A

To show the way

G

And stay the course

E

Whose hands are these

A

These hands are yours

E

Whose hands are these

A

These hands are yours
