Now you know what you re missing
now you ve seen that I m willing
if you re looking for the message
close your eyes
do you hear what I m thinking
is it how you imagined

In time you ll see that some things
travel faster than light
in time you ll recognise
that love is larger than life
and praise will come to those whose kindness
leaves you without debt
and bends the shape of things to come
that haven t happened yet

E **A**
I have seen the world turning

In time you ll find that some things
travel faster than light
in time you ll recognise that
love is larger than life
and praise will come to those
whose kindness leaves you without debt
and bends the shape of things to come
that haven t happened yet
