Neil Halstead

Elevenes

by Neil Halstead

Standard tuning, (capo 2nd fret)

(intro)

**D Bm F#m G D (2X)**

**D Bm F#m G A A**

**D**

You're drinking on your own,

**Bm F#m**

You're running for the coast,

**G D**

you're running from those ghosts,

**Bm F#m**

Running away girl,

**Bm F#m A**

One line to your bus

**D**

I'll see you to the stars

**Bm F#m**

And now you've got the chance

**G D**

you might as well just dance

**Bm F#m Bm F#m A A**

Gold skies and frozen wings and poetry and things

**D**

I think you're doing fine

**Bm F#m**

Don't offer me a line

**G**

**D**

I only want a cup of tea

**Bm F#m Bm F#m A A**

Goldman just won the tie I really can't stay long

**D**

I love the way you're shaped,

**Bm F#m**

But you've lost a little weight,

**G D**

Yeah you've lost a little weight

**Bm F#m**

I'll see you tomorrow

**Bm F#m A A**

Same time, same place

**D**

Mother's little helper

**Bm F#m**

is running for her shelter

**G D**

And no oneâ€™s to know

**Bm F#m**

Love dead as doornails

**Bm F#m A A**

They shouldnâ€™t understand

**D Bm F#m G**

At least thatâ€™s what they said

**D Bm F#m G**

Sheâ€™s gone away for good

**D Bm F#m G**

Sheâ€™s really made a meal

**D**

And blown a record deal

**Bm G**

Sheâ€™s blown a record deal

**D Bm G**

Sheâ€™s blown a record deal

**A A**

What are we to do?

**D Bm F#m**

See you tomorrow,

**Bm F#m A**

Same time same place

**D Bm F#m**

See you tomorrow

**Bm F#m A**

Same time same place

**D Bm F#m**

Iâ€™ll see you tomorrow

**Bm F#m A**

Same time same place

**D Bm F#m**

Iâ€™ll see you tomorrow

**Bm F#m A**

Same time same place
