Verse 2: (use verse 1 chords)

Says the plot is getting strange, itâ€™s taken over  
And the heroâ€™s run away, and no one told her  
But she canâ€™t control the page  
Itâ€™s taken over  
Thereâ€™s people dying, semi colons crying  
And full stops finding fault...O what a dolt

Chorus:

Oh Mighty engine, of good intention  
Youâ€™re purring softly beside me  
Grinding gently inside me  
Tapping totally madly...for you

Verse 3: (use verse 1 chords)

Cindy writes of kerosene and broken bottles  
Says the troubles were a part of someoneâ€™s childhood  
But she canâ€™t get past the point where someoneâ€™s dying  
Itâ€™s pretty minor  
A pithy liner should sort it out  
But he wonâ€™t die  
he just mucks about, oh itâ€™s so hard

Verse 4: (use verse 1 chords)

Now weâ€™ve broken out the gin, it helps her thinking

And given into sin, weâ€™re breathing deeply  
But somethingâ€™s on her mind  
A chapter stirring, her mind is whirling  
And off she trots  
To tap her keys to the top, oh sheâ€™s off

Chorus:

Oh Mighty engine, of good intention  
Youâ€™re purring softly beside me  
Grinding gently inside me  
Tapping totally madly...for you
