

**Song For Ten**  
**Neil Hannon**

[Chorus]

**D** **A**  
Well I woke up today  
**Bm** **F#**  
And the world seemed a restless place  
**G** **D** **A**  
It could have been that way for me  
**D** **A**  
And I wandered around  
**Bm** **F#**  
And I thought of your face  
**G** **D** **A**  
That Christmas looking back at me

[Verse]

**A** **D**  
I wish today was just like every other day  
**A**  
Cause today has been the best day  
**Bm** **A**  
Everything I ever dreamed

[Chorus]

**D** **A**  
And I started to walk  
**Bm** **F#**  
Pretty soon I will run  
**G** **D** **A**  
And I ll be running back to you  
**D** **A**  
Cause I followed my star  
**Bm** **F#**  
And that s what you are  
**G** **D** **A**  
I ve had a merry time with you

[Verse]

**A** **D**  
I wish today was just like every other day  
**A**  
Cause today has been the best day  
**Bm** **A**  
Everything I ever dreamed

[Bridge]

**D** **A** **Bm**  
So have a good life, do it for me

**F#** **G**  
Make me so proud, like you want me to be  
**D** **A**  
Wherever you are, I m thinking of you  
**Bm** **F#** **G**  
Oceans apart, I want you to know,

[Chorus]

**D** **A**  
Well I woke up today  
**Bm** **F#**  
And you re on the other side  
**G** **D** **A**  
Our time will never come again  
**D** **A**  
But if you can still dream  
**Bm** **F#**  
Close your eyes and you ll see  
**G** **D** **A**  
That you can see me now and then

[Verse]

**A** **D**  
I wish today was just like every other day  
**A**  
Cause today has been the best day  
**Bm** **A**  
Everything I ever dreamed
