

Angry World Neil Young

This song hasn't been really easy to figure out because Neil switches between keys and tunings using really dirty distortion. So you have to use some different voicings of the chords I noted. Sometimes the D is played as a power-chord using drop-D tuning, sometimes it's an open Dsus2-chord. I also noted the bass notes in between. You can play these as fills or chords during the changes.

D F Em D F G \
Am G F G D / play twice

C Am G F

C Am
Some see life as a broken promise
G F
Some see life as a endless fight
C Am
They think they live in the age of darkness
G F
They think they live in the age of light

C G
It's a angry world
Dsus2 C Am
And everything is gonna be alright
D F Em D F G (F Em Eb) D
Yeah it's an angry world
D F Em D F G Am G F G D

C Am G F

C Am
Some see life as hope eternal
G F
Some see life as a business plan
C Am
Some wish some would go to hell's inferno
G F
For screwing with their life in freedom land

C G
It's a angry world
Dsus2 C Am
For the business man and the fisherman

C G

It's a angry world

Dsus2 (stop)

And no doubt everything will go as planned
