

**Are There Any More Real Cowboys**  
**Neil Young**

**G# C# G#**  
Are there any more real cowboys  
**C# G#**  
left out in these hills?

Will the fire hit the iron  
**Eb**  
one more time?

**G# C# G#**  
And will one more dusty pick-up  
**G# C# G#**  
coming rolling down the road

**Bbm C# Eb**  
With a load of feed before the sun gets high?  
**Bbm C# Eb**  
Well i hope that working cowboy never dies

(willie sings-same chords)

Not the one who s snortin cocaine  
when the honky-tonk s all closed  
but the one that prays for more rain  
heaven knows  
that the good feed brings the money  
and the money buys the clothes  
not the diamond sequins shining on TV  
but the kind the working cowboy really needs

(key change to **B**)

**B E B**  
Are there any more country families  
**E B**  
Still working hand in hand

trying hard to stay together  
**F#**  
and make a stand?

**B E B**  
Well the rows and rows and rows of houses  
**E B**  
come creepin up on the land

**C#m E F#**  
where the cattle graze and old grey barn still stands

**C#m E F#**  
Are there any more real cowboys in this land?

**C#m E F#**  
Are there any more real cowboys in this land?
