**F#**

Slipping and sliding

**E** **C#**

and playing domino

**F#**

Lefting and then Righting,

**E** **C#**

it s not a crime you know.

**G#** **F#**

You gotta tell your story boy,

**E** **F#**

before it s time to go.

**F#**

Are you ready for the country

**E** **F#**

because it s time to go?

**F#**

Are you ready for the country

**E** **F#**

because it s time to go?

I was talkin to the preacher,

said God was on my side

Then I ran into the hangman,

he said it s time to die

You gotta tell your story boy,

you know the reason why.

Are you ready for the country

because it s time to go?

Are you ready for the country

because it s time to go?
