Barstool Blues
by Neil Young

Intro:

F# (x4)

C#	G#m7	F#
I could hold on to just one thought for long enough to know		
C#	G#m7	F#
Why my mind is moving so fast and the conversation is slow		
B		F#
Burn off all the fog and let the sun through to the snow		
C#	B	F#
Let me see your face again before I have to go.		

I have seen you in the movies and in those magazines at night
I saw you on the barstool when you held that glass so tight
And I saw you in my nightmares, but I ll see you in my dreams
And I might live a thousand years before I know what that means

Instrumental:

C# - G#m7 F# -

Once there was a friend of mine who died a thousand deaths
His life was filled with parasites and countless idle threats
He trusted in a woman and on her he made his bets
Once there was a friend of mine who died a thousand deaths

Instrumental:

B - - F# C# - B F# (x8)
