(chords are the same throughout)

I still like to sing a happy song
Once in a while and things go wrong
I might pick up a pen, scribble on a page
Try to make sense of my inner rage
One cold winter we went down south
With daddy s typewriter for a couple of months

And I was born in Ontario
I was born in Ontario,
Ontario, Ontario, Ontario

(Guitar solo)

I was born in Ontario
Where the black fly bites
And the green grass grows
That s where I learned most of what I know
Cause you don t learn much
When you start to get old
I left home at a tender young age
Cause mom and daddy never liked to stay
In any one place for very long
We just kept moving, moving on

I was born in Ontario
I was born in Ontario,
Ontario, Ontario, Ontario
