## Born In Ontario Neil Young

Intro: Fool around with variations of the D chord for 4 bars.

You might see me down in Alabama

Or Baton Rouge down in Louisiana

I might make it up to Detroit City

Where people work hard and life is gritty

It don t really matter where I am

It s what I do, it s what I can

This old world has been good to me

So I try to give back and I want to be free

Chorus

I was born in Ontario

I was born in Ontario,

D A G

Ontario, (I was born in)

DAG

Ontario, (Ontario)

D A G

Ontario

Guitar Solo chords:

D G D Α

(chords are the same throughout)

I still like to sing a happy song Once in a while and things go wrong I might pick up a pen, scribble on a page Try to make sense of my inner rage One cold winter we went down south With daddy s typewriter for a couple of months

And I was born in Ontario I was born in Ontario, Ontario, Ontario, Ontario

## (Guitar solo)

I was born in Ontario
Where the black fly bites
And the green grass grows
That s where I learned most of what I know
Cause you don t learn much
When you start to get old
I left home at a tender young age
Cause mom and daddy never liked to stay
In any one place for very long
We just kept moving, moving on

I was born in Ontario
I was born in Ontario,
Ontario, Ontario, Ontario
