Borrowed Tune
Neil Young

```
                    B      F#                    C#
 I m climbing this ladder   my head in the clouds  I hope that it
 B       F#                 C#
 matters   I m having my doubts  I m watchin  the
 B       F#                C#
 skaters   fly by on the lake    ice frozen
 B              F#                  C#
 six feet deep  how long does it take?   I look out on
 B              F#                  C#
 peaceful lands   with no war nearby     an ocean of
 B              F#                    C#
 shakin  hands    that grab at the sky    I m singin  this
 B              F#                  C#
 borrowed tune   I took from the Rolling stones    alone in this
 B          F#                C#
 empty room    too wasted to write my own     I m climbing this
 B       F#                    C#
 ladder    my head in the clouds  I hope that it
 B      F#        C#
