Out on the Trans-Canada highway

there was a girl hitchhikin with a dog **C**

she was looking for a ride through the night **D**
but out there who wouldn't **G**

There were bound for glory, bound for livin on the edge **Am**
they were bound for each other **D**

(waylon sings-same chords)

He was tired of writing letters to himself
and living in the dark
She was open to suggestions
and some say she had a broken heart
He had everything he wanted
till it all turned out to be a job
One fallen asleep trucker
and a girl hitchhikin with a dog

(same as previous chorus)

There were bound for glory, bound for livin on the edge
they were bound for each other,
like two comets headin for a bed
She had a new way of livin, new way of lookin at life
