The following song is already to be found in the archives, but IMO some of the chords are wrong, so I corrected them.

In line 3, Neil plays Am, but you should try D instead. It sounds good, too.

Enjoy!

Fm

It doesn t matter where I lay

I ve been to cities

I ve been to countries

I ve left a love in many towns

I don t care if I ever get back to

where I ve already been around

I m like an Eagle

I like to fly high

I m like the snake I like to lay low

I m like the black man I m like the white man

Maybe the red man I don t know

I m just a passenger

on this old freight train

I ride a box car through the night

I doesn t matter where I might get off

It doesn matter where I lay
