INTRO: **Bb F C F**

Bb **F**
I remember long ago
C **F**
How I wondered where I d go
Bb **F**
While the blizzards, cold wind and snow
C **F**
Pounded outside my window

Bb **F**
California sunset
C **F**
Going down in the West
Bb **F**
All the colors in the sky
C **F**
Kiss another day goodbye

Land of beauty, space and light
Land of promise land of might
You re my home now and it s true
California, here s to you

California sunset
Going down in the West
All the colors in the sky
Kiss another day goodbye
