I remember long ago  
**C** **F**  
How I wondered where I d go  
**Bb** **F**  
While the blizzards, cold wind and snow  
**C** **F**  
Pounded outside my window

**Bb** **F**  
California sunset  
**C** **F**  
Going down in the West  
**Bb** **F**  
All the colors in the sky  
**C** **F**  
Kiss another day goodbye

Land of beauty, space and light  
Land of promise land of might  
You re my home now and it s true  
California, here s to you

California sunset  
Going down in the West  
All the colors in the sky  
Kiss another day goodbye
