

California Sunset
Neil Young

INTRO: Bb F C F

Bb F
I remember long ago
C F
How I wondered where I d go
Bb F
While the blizzards, cold wind and snow
C F
Pounded outside my window

Bb F
California sunset
C F
Going down in the West
Bb F
All the colors in the sky
C F
Kiss another day goodbye

Land of beauty, space and light
Land of promise land of might
You re my home now and it s true
California, here s to you

California sunset
Going down in the West
All the colors in the sky
Kiss another day goodbye
