

California Sunset

Neil Young

INTRO: **G# Eb Bb Eb**

G# Eb
I remember long ago
Bb Eb
How I wondered where I d go
G# Eb
While the blizzards, cold wind and snow
Bb Eb
Pounded outside my window

G# Eb
California sunset
Bb Eb
Going down in the West
G# Eb
All the colors in the sky
Bb Eb
Kiss another day goodbye

Land of beauty, space and light
Land of promise land of might
You re my home now and it s true
California, here s to you

California sunset
Going down in the West
All the colors in the sky
Kiss another day goodbye
