

California Sunset
Neil Young

INTRO: A E B E

A E
I remember long ago
B E
How I wondered where I d go
A E
While the blizzards, cold wind and snow
B E
Pounded outside my window

A E
California sunset
B E
Going down in the West
A E
All the colors in the sky
B E
Kiss another day goodbye

Land of beauty, space and light
Land of promise land of might
You re my home now and it s true
California, here s to you

California sunset
Going down in the West
All the colors in the sky
Kiss another day goodbye
