INTRO: C G D G

 C G
I remember long ago
 D G
How I wondered where I d go
 C G
While the blizzards, cold wind and snow
 D G
Pounded outside my window

 C G
California sunset
 D G
Going down in the West
 C G
All the colors in the sky
 D G
Kiss another day goodbye

Land of beauty, space and light
Land of promise land of might
You re my home now and it s true
California, here s to you

California sunset
Going down in the West
All the colors in the sky
Kiss another day goodbye
