Captain Kennedy Neil Young

Ebm

Ebm C# Ebm I am a young mariner headed to war F# Ebm I m thinkin bout my family and what it was for F# Ebm There s water on the wood and the sails feel good C# Ebm And when I get to shore I hope that I can kill good My father was a sailor named Captain Kennedy He lost his wooden schooner to the Germans on the sea Exploded on the water for everyone for everyone to see And humiliate that American Captain Kennedy

EbmC#EbmI saw him in Nassau in ninteen seventy oneF#EbmHis strength was failin but he still ran a runF#EbmHe worked til his fingers wore to the boneC#EbmTo buy that wooden schooner and sail on his ownEbmEbm

He was known in the islands as hundred foot iron That steel hull freighter was passin its time And time flew by faster with life on the sea And the days grew shorter for Captain Kennedy

I am a young mariner headed to war I m thinkin bout my family and what it was for There s water on the wood and the sails feel good And when I get to shore I hope that I can kill good
