

Protecting you (change your mind)
Restoring you
Revealing you
Soothing you

You hear the sound
You wait around to hear the word
You see the picture changing everything you ve heard

Destroying you with this
Must be the one you love
Must be the one whose magic touch can change your mind
Don t let another day go by without the magic touch

Destroying you (change your mind)
Embracing you
Protecting you
Confining you
Distracting you
Supporting you
Distorting you
Controlling you

Change your mind, change your mind

The morning comes
There s an odor in the room
The scent of love
More than a million roses bloom

Embracing you with this
Must be the one you love
Must be the one whose magic touch can change your mind
Don t let another day go by without the magic touch

Embracing you (Change your mind)
Concealing you
Protecting you
Revealing you

Change your mind, change your mind

(música termina com change your mind 2x apenas no vocal)
