## Cinnamon Girl Neil Young

[C]

[Dsus2]

```
Intro: [C]
               [Dsus2]
                                [ C* ]
                                        [G/B]
                                               [\mathbf{A}] (3 X)
[Dsus2] I want to live with a [A*] Cinnamon Girl,
[C]I can be happy [G]the rest of my life
[F]With a Cin[OPEN]namon [G]Girl.
                                         [ C* ]
                                                 [G/B]
                                                          [A]
[Dsus2]A dreamer of pictures, [A*]I run in the night,
You [C]see us together, [G]chasin the moonlight,
My[F] Cin[OPEN]namon [G]Girl.
                               [C*]
                                         [G/B]
                                                 [A]
repeat 2 times
        [Dsus2]
                        [ C* ]
                                [G/B]
[C]
                                         [A]
[Dsus2]Ten silver saxes, a [A*]bass with a bow.
The [C]drummer relaxes and [G]waits between shows
For [F]the Cin[OPEN]namon [G]Girl.
[Dsus2]A dreamer of pictures, I [A*]run in the night,
You[C] see us together, [G]chasin the moonlight,
My[F] Cin[OPEN]namon [G]Girl.
repeat 4 times
[C]
        [Dsus2]
                         [C*]
                                 [G/B]
                                         [A]
[C]Pa sent me money, now I m gonna make it somehow,
I need another chan[G7]ce.
You see your baby loves to dan[A*]ce, yeah, yeah, [A7]yeah.
repeat then distorted hammer-ons
```

[C\*]

[G/B]
