G C

I don t like to go down to the flats, cause I can t park on the hill

D G

Instead of getting a rolling start, I have to pay the bill.

G C

I guess I need that city life, it sure has lots of style

D G

But pretty soon it wears me out, and I have to think to smile.

G C

I m thankful for my country home, it gives me peace of mind

Somewhere I can walk alone, and leave myself behind.

solo

It s only someone elses s potatoes if, you re picking someone else s patch

And if you go down there anyway, it very seldom lasts.

I found that out once long ago, and it sure got me confused

I still don t know which way to go, to lose those old spud blues.
