Here are the chords for Danger Bird by Neil Young.

Intro

**F      G      A**

**F              G              A**

Danger bird   flies alone

**F                      G                      A**

He rides the wind back to his home

**F                      G                      A**

Although his wings have turned to stone

**Em                      D              C**

And he used to be so calm

**C      Em                      D              C**

Now I think about you all day long..

**C              Em              D              C**

Here you are and here I am....

Repeat same chord pattern for the rest of the song.

I hope this is helpful.

If anyone knows the chords for LA by Neil Young could you please  
me them?    Thanks.
