[Verse 1]

**C** **F** **C**  
Young pegi just died today

**C** **F** **C**  
Young pegi just died today

**F** **C** **Am**  
And i guess Nobody even knows the case

**G** **F**  
But the way the story goes

**E** **Dm**  
She just ran out of clothes

**C** **F**  
No will this world

**C**  
Just for the peg down

**F** **C**  
Last words, can t talk

**F** **C**  
And then she wrote

**C** **F** **C**  
Some people can t stand no rain

**C** **F** **C**  
Some people can t stand no rain

**F** **C** **Am**  
When it s cloudy outside You can t see the sun

**G** **F**  
But on a bright and sunny day

**E** **Dm**  
The people all go away

**C** **F**  
Except one

**C**  
Oh no don t pity me babe

**F** **C**  
I know i m alright

**F** **C**  
O yeah, i m alright

[Verse 2]

**C**          **F**          **C**  
Don t see no tears around me  
          **C**          **F**          **C**  
Don t see no tears around me  
                          **F**                          **C**          **Am**  
I don t take too much stock In the things people say  
          **G**                          **F**  
I m not saying that they re wrong  
          **E**                          **Dm**  
They ve just Been standing around too long  
          **C**          **F**  
Gone bad  
                          **C**  
Oh no don t pity me babe  
          **F**                          **C**  
I know i m alright  
          **F**                          **C**  
O yeah, i m alright

[Verse 3]

**C**          **F**          **C**  
Can t ride my broom no more  
          **C**          **F**          **C**  
Can t ride my broom no more  
                          **F**                          **C**          **Am**  
Because the landlady s taken To sweeping the floor  
          **G**                          **F**  
I guess i ll go back to my place  
          **E**                          **Dm**  
And occupy a little space  
          **C**          **F**  
John doe  
                          **C**  
Oh no don t pity me babe  
          **F**                          **C**  
I know i m alright  
          **F**                          **C**  
O yeah, i m alright

[Verse 4]

**C**          **F**          **C**  
The streets are crammed, can t walk  
          **C**          **F**          **C**  
Might find somebody and talk  
          **F**                          **C**          **Am**  
I can t find nobody who Say boo, guess who  
          **G**                          **F**  
Because that street Is paved with aires  
          **E**                          **Dm**  
And everybody is putting on theirs  
          **C**          **F**  
Can t breathe

Oh no don t pity me babe  
I know i m alright  
O yeah, i m alright

[Verse 5]

He s standing outside my door  
He s standing outside my door  
But he won t ring the bell And he s just to scared to knock  
And he s puzzled And he s young  
And he s doing what s Already been done  
One more

[Outrol]

Oh no don t pity me babe  
I know i m alright  
O yeah, i m alright  
Oh no don t pity me babe  
I know i m alright  
O yeah, i m alright
